

AWARD WINNING COMPANY

*“Great management isn't just about overseeing operations—it's about understanding client needs, delivering tailored solutions, and building lasting relationships founded on trust and excellence.”*

# WHO ARE WE?

## K4 GROUP OF COMPANIES

K4 Fit-out is part of an award-winning group of companies, known as K4, recognized for delivering exceptional quality and craftsmanship in the fit-out industry. With a team of over 500 skilled professionals and 30 award-winning designers, we specialize in comprehensive fit-out contracting services tailored to meet the unique needs of our clients. Our expertise extends across a wide range of sectors residential, commercial, hospitality, and retail ensuring that every project we undertake is executed with precision and attention to detail.

At K4, we take pride in transforming spaces into functional, aesthetically pleasing environments that align with our clients' visions. Whether it's a luxury villa, a modern apartment, a high-rise building, or a commercial establishment, we bring innovation and expertise to every aspect of the project. Our licensed professionals are committed to maintaining the highest standards of quality and professionalism, ensuring seamless execution from concept to completion.

Our core value is excellence a commitment that drives everything we do. We strive to deliver outstanding quality and personalized solutions tailored to meet the unique needs of each client. Guided by integrity and a spirit of innovation, we continuously seek new ways to enhance our services and exceed industry standards. Our client-first approach ensures that every decision, process, and interaction is centered around building trust and adding real value. We are dedicated to fostering lasting relationships by consistently surpassing expectations and driving measurable success in every project and partnership we undertake. Through collaboration, transparency, and unwavering professionalism, K4 aims to be a trusted leader and a catalyst for growth in the industry.

# LEADERSHIP

Thank you for choosing K4. We're dedicated to exceeding your expectations with innovative, award-winning spaces. We value long-term relationships, transparency, and continuous improvement to ensure your satisfaction on every project.

**Joakim Kihlstrom**  
CEO OF K4 GROUP

# OUR MISSION

is to create award-winning spaces that reflect the unique visions of our clients while redefining industry standards through exceptional craftsmanship, innovation, and attention to detail. We are committed to delivering a customer experience that not only exceeds our clients' highest expectations but also outperforms the capabilities of our strongest competitors setting new benchmarks in quality, creativity, and excellence. By fostering a culture of innovation, collaboration, and continuous improvement, we aim to push the boundaries of design, functionality, and sustainability. Every project we undertake stands as a testament to our expertise and unwavering dedication. Through cutting-edge technology, sustainable practices, and a passion for perfection, we transform ideas into breathtaking realities that inspire, impress, and endure.

# OUR VISION

is to be the service provider of choice, setting the benchmark for excellence, performance, and customer satisfaction across every industry we serve. We aim to redefine industry standards by consistently delivering innovative solutions, superior quality, and exceptional experiences that exceed expectations.

Through our unwavering commitment to excellence, we seek to build lasting relationships with our clients, foster a culture of continuous improvement, and harness cutting-edge technology alongside creative strategies to stay ahead of evolving market demands.

Our goal is not just to lead, but to inspire shaping the future of service excellence through dedication, integrity, sustainability, and a relentless passion for delivering outstanding results.

**Passion & Excellence :** We are driven by passion, go above and beyond, and never compromise on quality, excellence, integrity, or innovation.

**Safety & Proactive Thinking :** We put safety first, practice proactive thinking, and ensure responsible, high-quality outcomes with integrity, efficiency, and attention to detail.

**Customer Centric Approach :** We place customer experience first, strive for long-term relationships, and value transparency, integrity, excellence, commitment, and innovation.

**Innovation & Growth :** We use tools that produce great results, continuously measure success, and never stop improving with creativity, adaptability, excellence, and dedication.

**Culture & Ethics:** We create an inspiring environment, embrace diversity, reward by merit, foster growth, promote inclusion, encourage creativity, and learn from mistakes.

# MANAGEMENT

I am proud to lead a team committed to turning visions into reality with precision and efficiency. Our role is to ensure that every project, from concept to completion, is executed seamlessly, on time, and within budget.

**Muhammad Khalid**

COO AT K4 GROUP

## Project Management

We handle fit-out and renovation projects from start to finish with expert precision, unwavering dedication, and trusted leadership.

## End-to-End Solutions

We manage every aspect of the project from start to finish, offering a comprehensive approach that ensures a smooth, seamless, and stress-free experience for our clients throughout the entire journey.

## Budget Control

We ensure every project stays on track and within budget without ever compromising on quality, efficiency, or expectations.

## Coordination with Suppliers

We streamline communication and collaboration with suppliers to ensure faster response times, smoother workflows, and enhanced overall efficiency.

## Transparent Communication

We keep clients informed with regular updates, clear reporting, proactive communication, and honest dialogue throughout every phase of the project.

## On-Site Supervision

Consistently maintaining daily oversight to ensure all work is carried out according to the established plan, adheres to the highest quality standards, and ultimately exceeds client expectations.

## Detailed Planning

Our expert team will develop a comprehensive and strategic project roadmap. This includes setting clear timelines, outlining budgets, and defining key deliverables.

## Execution and Oversight

Our dedicated and experienced team ensures seamless coordination between all involved parties, overseeing every detail to guarantee consistent, high-quality work throughout the process.

## Regular Updates

You'll have direct access to our team for any questions or concerns you may have, allowing for real-time collaboration and adjustments as necessary.

Our Project Management Services are designed to ensure seamless execution, exceptional quality, and timely delivery of every project. Whether it's a luxury villa, commercial space, or full-scale development, our expert team provides end-to-end management tailor-ed to meet your unique vision, budget, and schedule.

# CONSULTATION

As the Advisory Manager, I guide clients through every step with expert insight and careful analysis. I assess their unique needs and provide tailored, strategic solutions that support their goals. My focus is on clear communication and building trust to help clients make confident, informed decisions.

**Ghazaal Tavanaei**

ADVISORY MANAGER AT K4

## Initial Consultation

We meet with the client to understand their vision, goals, and requirements for the fit-out or design project. We discuss project scope, timelines, and budget expectations.

## Site Visit & Assessment

Conduct a thorough site inspection to evaluate the space, identify potential challenges, and gather key details for design planning.

## Concept Design & Proposal

Provide initial design concepts and recommendations tailored to the client's preferences and functional needs. Present a detailed proposal outlining materials, finishes, and a project timeline.

## Budget & Cost Breakdown

Discuss the estimated cost and offer budget-friendly alternatives without compromising quality. Finalize the budget with clear payment milestones.

## Project Execution Planning

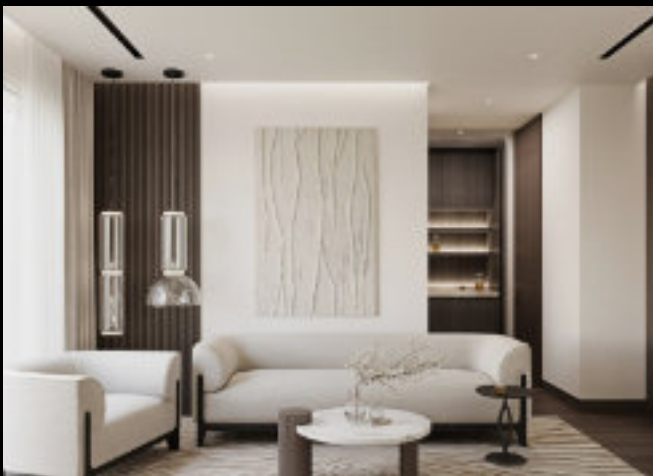

Once the design is approved, coordinate with contractors, designers, and vendors to prepare for execution. Set timelines and define roles for efficient project management.

## Ongoing Updates & Adjustments

Keep the client informed with regular progress updates. Make adjustments as needed based on client feedback during the process.

## Final Walkthrough & Handover

Once the project is complete, conduct a final inspection to ensure everything aligns with the agreed-upon design and quality standards. Hand over the finished space to the client, ensuring full satisfaction.

*"Great design begins with a conversation, a thoughtful consultation is where visions meets expertise"*

# APPROVALS

As the Project Approvals Manager, I take great pride in leading a dedicated team focused on ensuring that every project not only meets all regulatory requirements but also strictly adheres to industry standards.

**Ali Hasnain Khan**

PROJECT APPROVALS MANAGER AT K4

## Regulatory Compliance

We handle the documentation and approvals required to meet all local laws and regulations, ensuring your project is always on the right side of compliance.

## Liaison with Authorities

Our team works closely with municipal authorities, developers, and governing bodies to secure the necessary permits and approvals.

## Detailed Documentation

From submission forms to architectural drawings and compliance reports, we prepare and manage all the paperwork required for approvals.

## Streamlined Processes

With in-depth knowledge of approval timelines and requirements, we expedite the process to keep your project on schedule.

## Risk Assessment & Mitigation

We proactively identify potential regulatory risks and challenges early in the project lifecycle, allowing us to develop strategies that minimize delays and ensure smooth approval processes.

## Why Approvals Management Matters

Without the right permits and approvals in place, your project could be hit with unexpected delays, hefty fines, or even forced shutdowns leading to financial loss and disruption to your timeline. Navigating regulatory requirements can be complex and time-consuming, especially with the constantly changing guidelines set by authorities.

That's where we come in. Our comprehensive approvals management service ensures your fitout or renovation project is fully compliant with all local regulations and codes. We take care of every detail so you can focus on bringing your vision to life with peace of mind.

## Project Analysis

We assess your project's scope and requirements to determine the necessary approvals.

## Documentation Preparation

Our team prepares all required documents, including technical drawings and compliance certificates.

## Submission and Follow-Up

We submit the paperwork to relevant authorities and maintain consistent communication for updates.

## Approval Secured

Once approvals are obtained, we provide all documentation and guidance for the next steps of your project.

## Post-Approval Support

We assist with any additional requirements, such as inspections or renewals, ensuring a smooth process.

## Ongoing Advisory

Our team remains available for future consultations, keeping you informed about regulatory updates or changes that may impact your project.

# OVERSIGHT

As the Project Control Manager, I am proud to introduce our strategic approach to managing time, cost, and quality across every phase of construction. Our commitment is to drive efficiency, minimize risk, and ensure every project stays on track

**Sami Jamil**

PROJECT MANAGER AT K4 GROUP

## Project Planning & Scheduling

We develop detailed, realistic project plans using advanced scheduling software such as Primavera P6 and MS Project. Our planning approach defines critical paths, identifies key milestones, and allocates timelines with precision to ensure smooth execution from inception to completion. We also integrate planning with real-time progress tracking to allow for flexible adjustments as needed.

## Cost Estimation

Our team provides accurate cost estimation at every project phase conceptual, preliminary, and detailed to help clients make informed decisions. Through continuous budget monitoring, variance analysis, and cost forecasting, we maintain tight financial control and ensure expenditures align with approved budgets, helping you maximize your return on investment.

## Resource Optimization

We carefully plan and allocate resources including skilled labor, materials, and equipment to maximize productivity and efficiency. By optimizing resource usage, we prevent bottlenecks, reduce downtime, and ensure that the right resources are available at the right time and place.

## Risk Management

Every project faces uncertainties. At K4, we proactively identify potential risks technical, financial, operational, or environmental and implement tailored mitigation strategies. Our dynamic risk management framework minimizes disruptions and prepares the team to respond swiftly to unforeseen challenges.

## Progress Monitoring

We implement robust monitoring systems to track progress against the baseline schedule and budget. Our reporting includes detailed dashboards, status updates, and performance indicators that offer stakeholders full transparency and insight into project health and performance.

## Quality Assurance

K4 is committed to delivering quality results that exceed client expectations. We enforce strict quality control procedures and ensure full compliance with regulatory standards, building codes, and contractual requirements throughout every stage of the project.

## Procurement Coordination

Our procurement services ensure timely sourcing and delivery of materials, equipment, and subcontracted services. We coordinate all procurement activities to align with the project schedule, maintain quality standards, and achieve cost efficiency through competitive sourcing and vendor management.

## Client Communication

Transparent and consistent communication is key to project success. We facilitate regular coordination meetings, provide progress updates, and ensure all stakeholders from clients and consultants to subcontractors remain informed and aligned throughout the project.

# QUALITY

My mission is to ensure that every project we deliver meets the highest standards of excellence. Our team is dedicated to upholding quality at every stage, from design and material selection to execution and final inspection.

**Murad Alam**

QUALITY CONTROL MANAGER AT K4 GROUP

## Material Inspection

We thoroughly inspect all incoming materials used in your project to ensure they meet specifications and are of the highest quality.

## Workmanship Oversight

Our experts monitor every phase of construction and fitout, ensuring precision and adherence to industry best practices.

## Compliance Checks

We ensure your project fully complies with all local regulations, safety standards, and design specifications at every project stage.

## Final Inspection

Before project completion, we conduct comprehensive inspections to guarantee every detail aligns with the approved plan and meets quality benchmarks.

## Continuous Quality Monitoring

We implement ongoing quality control measures throughout the project duration, promptly addressing any issues to maintain consistent standards and prevent costly rework.

Our comprehensive process ensures every step of your project is managed with precision, quality, and compliance delivering results that exceed expectations.

## Initial Assessment

We thoroughly review your entire project scope, detailed plans, and selected materials to define clear quality standards

## Inspection Schedule

Our dedicated team establishes a comprehensive quality control timeline to monitor each critical phase of the project.

## Ongoing Monitoring

We conduct routine site inspections to ensure strict and consistent adherence to all relevant standards and specifications.

## Issue Resolution

Any inconsistencies or defects are addressed immediately and effectively to keep the project on track.

## Final Quality Check

Before handover, we conduct a detailed inspection to ensure the space meets our exacting quality benchmarks.

# DESIGN

As the Head of Design for Fitout and Renovation, I am delighted to share our passion for transforming ideas into reality. At the heart of our work lies the belief that every space tells a story one of elegance, functionality, and innovation.

**Viktoria Graf**  
DESIGN MANAGER AT K4 GROUP

## Concept Development

Collaborating with clients to understand their vision, preferences, and requirements. Creating a detailed design concept that aligns with the client's lifestyle or business needs.

## Layout Design

Developing efficient space layouts that maximize functionality, flow, and comfort. Creating floor plans with optimal furniture arrangements, circulation paths, and zoning.

## Mood Boards

Creating mood boards to visually convey the design direction, including colors, materials, textures, and overall aesthetic to align with the project vision.

## Furniture Design

Designing bespoke furniture pieces tailored to the space, including unique shapes, materials, and functionalities. Coordinating the sourcing and supply of ready-made or custom furniture.

## Bespoke Joinery

Designing custom joinery and cabinetry for kitchens, bathrooms, wardrobes, and storage spaces. Providing practical yet aesthetically pleasing storage solutions for different areas of the space.

## Lighting Design

Creating a lighting plan that enhances both the aesthetic and functionality of the space. Selecting light fixtures, considering factors like ambiance, task lighting, and energy efficiency.

## 3D Visualization

Providing 3D renderings or walkthroughs to help clients visualize the design before implementation. Offering realistic, detailed renderings of the final design using advanced software tools and technology.

## Color Theory

Applying color theory principles to create balanced and harmonious spaces. Styling interiors with accessories, artwork, and decor to add personality, depth, and character to every room.

## Interior Design

Incorporating architectural elements into the interior design, such as custom wall treatments, windows, or built-in features. Ensuring the design complements the overall architectural style of the space.

# STRUCTURES

As the Structural Works Manager, I am committed to delivering precise, durable, and compliant structures. Our focus on quality and proactive planning ensures project integrity, controls costs, and minimizes delays from the foundation up.

**Zahur Ali**

PROJECT MANAGER AT K4 GROUP

## Structural Design & Engineering

Comprehensive analysis and design of structural systems in compliance with local and international standards, ensuring safety and performance.

## Concrete Works

Execution of all types of reinforced concrete structures including foundations, columns, beams, slabs, retaining walls, and cores.

## Steel Structure Installation

Supply and erection of steel structures for both primary and secondary frames, ideal for warehouses, mezzanines, and customized builds.

## Structural Modifications

Structural strengthening, load assessments, and safe modifications of existing structures to meet new project needs or enhance durability.

## Excavation & Foundation Works

Site preparation, earthworks, and installation of deep or shallow foundations, including piling, raft foundations, and pad footings.

## Masonry & Blockwork

Structural and non-structural blockwork using high-quality materials for walls, partitions, and enclosures.

## Structural Retrofitting

Specialized in carbon fiber wrapping, crack injection, and structural reinforcement, including seismic upgrades and load adaptation for enhanced safety and durability.

## Waterproofing & Coatings

Offering below-grade waterproofing, roof deck and wet area treatments, protective concrete coatings, sealants, and expansion joint solutions to prevent moisture damage.

## Precast & Post-Tensioned Systems

Expert installation of precast slabs, panels, and beams, along with post-tensioning and hybrid structural systems for long-span, high-performance structures.

## Testing & Quality Control

Comprehensive services including cube and core testing, rebar scanning, pull-out tests, load testing, and settlement monitoring, all backed by detailed QA/QC documentation and reporting.

Whether it's a luxury villa, a high-rise development, or a commercial facility, K4 guarantees structural works that are engineered with precision, executed with integrity, and built to last.

# MEP

As MEP Manager, I'm proud to deliver advanced mechanical, electrical, and plumbing solutions that ensure seamless, safe, and sustainable systems supporting the long-term performance of every beautifully designed space.

**Taher Ali**

MEP MANAGER AT K4 GROUP

## Mechanical Services

K4 offers complete mechanical solutions including the design, supply, and installation of HVAC systems, ventilation, and chilled water systems. We focus on delivering energy-efficient climate control tailored to the specific requirements of each space, ensuring optimal comfort and air quality.

## Electrical Services

Our electrical division handles full system design and implementation, including power distribution, lighting, and smart automation. We also provide ELV systems such as fire alarms, CCTV, data networks, and access control, guaranteeing safety and functionality across all types of properties.

## Plumbing Services

We provide end-to-end plumbing services, covering water supply, drainage, and sanitary systems. Our team ensures reliable installation of water heating units, efficient greywater systems, and advanced firefighting networks, all in compliance with local regulations.

## Building Management Systems

We offer smart Building Management System solutions to monitor and control building functions such as lighting, HVAC, energy consumption, and security. Our BMS integrations help clients optimize energy usage, reduce costs, and streamline facility operations.

## Firefighting Systems

K4 specializes in designing and installing advanced firefighting systems, including sprinklers, hose reels, and fire pumps. We ensure all systems meet civil defense requirements and are integrated with the building's safety strategy to protect lives and property.

## ELV & Low Current Systems

We design and implement low current systems such as structured cabling, IP telephony, intercoms, and security networks. Our solutions enhance operational efficiency and security, using cutting-edge technology tailored to your business or residential needs.

## Maintenance & Support

Beyond installation, K4 offers preventive and corrective maintenance for all MEP systems. Our responsive support team ensures systems run smoothly, reducing downtime and extending the lifespan of your building infrastructure.

## Sustainable Energy Solutions

K4 is committed to green building practices by offering sustainable energy solutions such as solar panel systems, LED retrofitting, and energy audits. Our goal is to help clients reduce their carbon footprint and align with international environmental standards.

# JOINERY

I take pride in leading a team focused on craftsmanship, precision, and innovation. Our 22,000 sqft warehouse, equipped with state-of-the-art machinery, allows us to transform raw materials into stunning, functional pieces that elevate any space with exceptional quality and efficiency.

A black and white portrait of Muhammad Alsaleh, a man with a beard and short hair, smiling and resting his chin on his hand. He is wearing a dark jacket over a dark shirt. The background is dark and out of focus.

## Muhammad Alsaleh

JOINERY MANAGER AT K4 GROUP

## Custom Furniture

We design and fabricate bespoke furniture pieces, including wardrobes, cabinets, shelving units, and more, tailored to suit the specific needs and style preferences of our clients.

## Doors & Windows

Our team crafts high-quality wooden doors and windows that provide security and add an elegant touch to any space. We offer a range of styles, from classic to contemporary, ensuring seamless integration with the existing design.

## Interior Woodwork

Our services include the creation of decorative wooden panels, ceiling beams, skirting boards, and other intricate woodwork that elevate the interior design of a space.

## Walk-In Closets

From layout planning to final finishes, we deliver tailored walk-in closet solutions that maximize space and reflect luxury living.

## Restoration & Refurbishment

We also offer restoration and refurbishment services for existing wooden structures, preserving their original charm while enhancing durability and appearance.

## Decorative Elements

Our joinery team crafts standout feature walls, artistic wooden dividers, and other custom décor elements that bring warmth and character to any room.

## Quality Assurance

Our team of skilled craftsmen uses the finest materials and state-of-the-art equipment to ensure precision and durability in every project.

*"Joinery is the art of turning raw materials into timeless craftsmanship, where every detail matters."*

# GLAZING

As the Manager of Glass and Aluminum, I am excited to introduce you to our cutting-edge solutions , Our goal is to enhance spaces with high-quality glass and aluminum designs that offer strength, functionality, and modern elegance

**Jigar Patel**

GLASS & ALUMINIUM MANAGER AT K4 GROUP

## Glass Supply & Installation

We provide high-quality glass solutions including tempered, laminated, double-glazed, and smart glass, customized to suit your project requirements. Our professional team handles the full installation process with attention to detail and safety.

## Frameless Glass Partitions

Ideal for offices and modern interiors, our frameless glass partitions offer a sleek, clean look while enhancing space and light flow. We design and install fixed or sliding systems with top-grade hardware and finishes.

## Shower Enclosures

K4 designs and installs elegant glass shower enclosures, including hinged, sliding, and fixed panel systems. Each enclosure is made to measure, ensuring water-tight performance and a luxurious finish.

## Glass Balustrades & Railings

Our glass balustrades are crafted for both functionality and style, offering safety without compromising the view. Suitable for balconies, staircases, and terraces, we provide both framed and frameless options.

## Curtain Wall Systems

We specialize in curtain wall glazing systems for commercial buildings, providing high-performance façades that combine architectural beauty with structural integrity, energy efficiency, and weather resistance.

## Aluminium Doors & Windows

We supply and install high-performance aluminium doors and windows, available in sliding, folding, hinged, and tilt-and-turn systems. Our solutions are designed for energy efficiency, noise reduction, and weather resistance, with sleek profiles and a variety of finishes.

## Aluminium Cladding

Our aluminium cladding systems offer a clean, modern finish while protecting building exteriors from harsh weather conditions. We provide a wide range of panel styles, colors, and textures to suit architectural and branding requirements.

## Custom Aluminium Works

From shopfronts and partitions to display frames and decorative screens, we offer custom aluminium fabrication tailored to unique project requirements.

# MARBLES

As the Marble Works Manager, I take great pride in leading a team that brings timeless elegance and craftsmanship to every project. Marble is more than just a material it's a statement of luxury, durability, and refined design.

**Noor Islam**

MARBLE MANAGER AT K4 GROUP

Whether you're upgrading a villa, renovating a commercial space, or enhancing interiors during a fitout, our custom marble solutions add sophistication, durability, and lasting value to any project.

### **Marble Flooring**

Make a bold statement with polished marble floors that reflect light and elegance. Ideal for living rooms, lobbies, hallways, and grand entrances.

### **Marble Wall Cladding**

Add texture and depth to your interiors with marble wall panels that create a sleek, high-end finish in both residential and commercial environments.

### **Kitchen Countertops & Islands**

Upgrade your kitchen with custom-cut marble countertops that offer durability, hygiene, and refined style.

### **Vanity Tops & Bathroom Surfaces**

Transform your bathrooms with beautiful marble vanities, shower surrounds, and bath accents that bring a spa-like feel to your home.

### **Custom Marble Features**

From staircases and fireplaces to tabletops and decorative elements, we design and install custom marble features tailored to your vision.

# AUTOMATION

I am excited to introduce you to our innovative solutions that blend technology and convenience to enhance your lifestyle. Our goal is to create smart homes that are intuitive, efficient, and tailored to your unique needs.

**Hassan Tariq**

AUTOMATION MANAGER AT K4 GROUP

## Smart Lighting

Experience the perfect ambiance with automated lighting systems. Control brightness, color, and schedules with a touch of a button or through voice commands.

## Climate Control

Maintain the perfect indoor temperature year-round with smart thermostats that adapt to your preferences and help reduce energy consumption.

## Integrated Entertainment

Streamline your audio and video systems for a cinema-like experience at home. Enjoy centralized control over TVs, speakers, and other entertainment devices.

## Home Security

Ensure peace of mind with smart surveillance cameras, motion detectors, and remote locking systems. Monitor your property from anywhere in the world.

## Voice-Activated Controls

Manage your home automation system effortlessly with voice assistants like Alexa, Google Assistant, or Siri.

## Automated Blinds & Curtains

Control natural lighting and privacy with motorized blinds and curtains. Set schedules or use voice commands to open or close them based on time of day or room usage.

# LANDSCAPING

As the Landscaping Manager, I ensure high-quality, sustainable outdoor spaces through smart planning and precise execution enhancing value, beauty, and long-term performance.

**Gabriel Salinas**

LANDSCAPE MANAGER AT K4 GROUP

## Landscape Design

We create custom outdoor designs that perfectly blend beauty and functionality to suit your space and style.

## Hardscaping

Expert installation of patios, walkways, retaining walls, and outdoor living areas using durable, high-quality materials.

## Softscaping

Planting and nurturing trees, shrubs, flowers, and turf to bring vibrant, healthy greenery to your property.

## Irrigation Systems

Efficient, automated watering solutions designed to maintain landscape health while conserving water.

## Landscape Lighting

Professional outdoor lighting that enhances safety, security, and creates a welcoming ambiance.

## Garden Maintenance

Comprehensive care including mowing, pruning, fertilizing, pest control, and seasonal cleanups to keep your garden thriving.

## Water Features

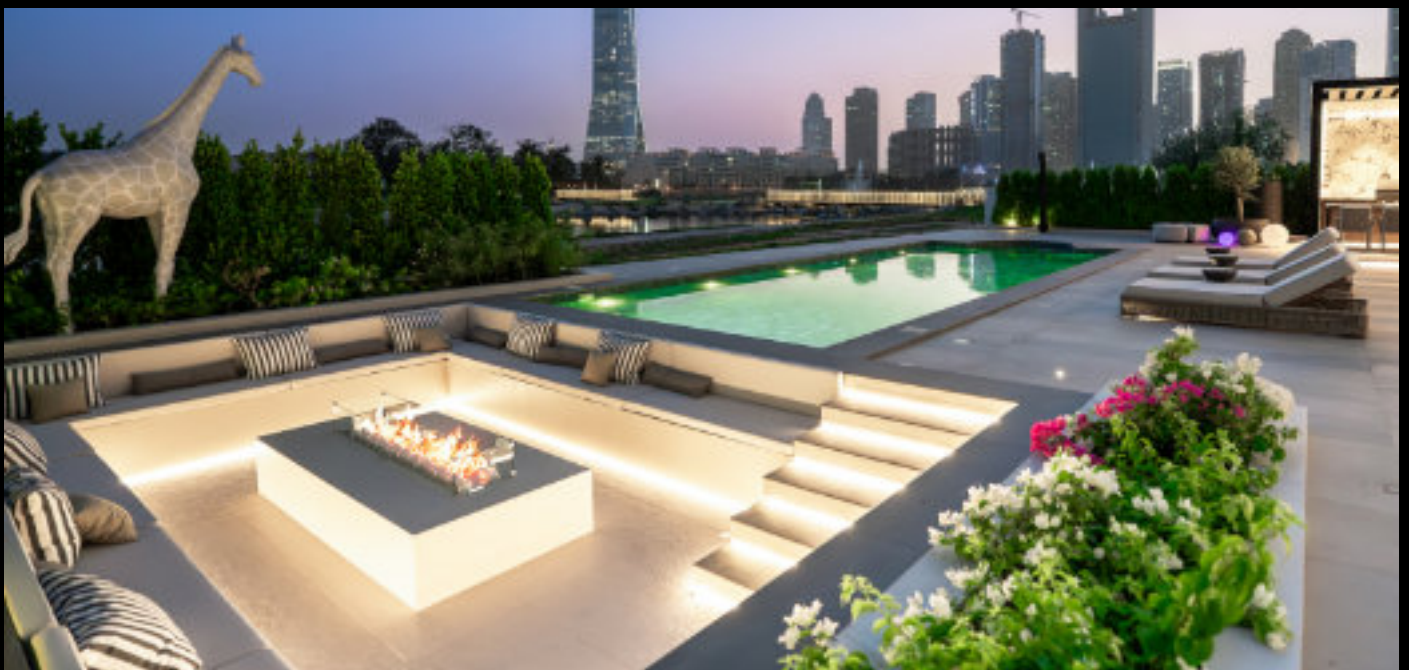

Installation of elegant fountains, ponds, and waterfalls to add tranquility and charm to your outdoor space.

## Outdoor Furniture & Accessories

Selection and installation of garden furniture, planters, and decorative elements to complete the outdoor space.

## Landscape Restoration

Revamping existing landscapes to improve appearance, functionality, and environmental sustainability.

K4
